**Apl.de.Ap** added 7 new photos from February 7 to the album: Apl.de.ap's Jollibee store in Dau McArthur, Pampanga.

Opening my first Jollibee store in Pampanga is a dream come true. Since I was a young boy, I always pointed at Jollibee and my mom would say, "Anak we need thismoney for your siblings also so next time na lang". And then one day, she finally took me into Jollibee and I think I lost my mind! I thought: "Oh my God, did this happen?" And now, it's just my dream. I wanted to have a Jollibee store to create employment and I thought it would be the most stable thing that could help out others.

February 7 · Edited

Last week, James Ty III shared Snow Badua's letter publicized as a status.

You be the judge. Anong say ninyo?

**Snow Badua**

GUYS HERE IS THE TRUE REASON WHY I LEFT PTV SPORTS... WHATEVER THEY ARE POSTING (which they did now) ARE BASELESS AND WITHOUT ANY EVIDENCE.

You decide.

January 6, 2015

HON. CLEO DONGGA-AS
General Manager
PTV Network, Incorporated
PTV complex
Visayas Ave.,
Quezon City

Dear Mr. Dongga-as,

It is unfortunate that my contract as main anchor of PTV Sports will not be renewed by Sports Division Officer-in-Charge Alberto S. Marbella.

To tell you frankly, I have nothing against this, but what really bothers me is that I am being eased out for reasons that are not related to my performance in the program.

I have been working as an on-cam talent of PTV Sports since the show's inception in March 2006.

In all humility, I have been a virtual one-man crew for the program, serving as its head writer and reporter. There were occasions when I even went beyond the call of duty and acted as a cameraman and video editor on the field. I even used my personal resources and money just to ensure that the program remains vibrant and pockmarked with information without additional cost to the station. All these things I did because of my inherent love for the program. The sacrifices have borne fruits, as evidenced by the various awards and the hordes of followers the show has generated through the years.

However, sans a valid explanation, Mr. Marbella decided on renewing my contract.

It is my ardent belief that the planned non-renewal of my contract is based on whimsical and capricious grounds only Mr. Marbella can concoct. Moreover, it is used as a smokescreen by Mr. Marbella to divert the attention from irregularities he has lately been committing.

On this note, I am bringing to your attention the irregularities committed by Mr. Marbella which I believe amount to abuse of authority, dishonesty and even grave misconduct.

Mr. Marbella’s animosity towards me was clearly triggered by the incident where I questioned his failure to produce the money amounting to Php 15,000.00 which was donated by a friend for the purpose of being raffled off during the Christmas party. Apparently acting on his own volition, Mr. Marbella decided to distribute the supposed cash prize to a few members in our division, which the donor Engineer Bong Sual found rather perplexing. Engr. Sual, incidentally, called me to ask if the money he donated specifically went to the office raffle. To this end, Sports Radio reporter

Judith Caringal is willing to testify on this allegation as she was the one tasked by Mr. Sual to hand over the said amount to our office.

Ultimately, I learned that Mr. Marbella distributed one thousand pesos each to only eight (8) members of our staff, obviously pocketing the bulk of the amount for himself.

From then on, Mr. Marbella has been itching to get back at me. He even went to the extent of informing my wife via text message that he is not renewing my contract because I did not 'protect' him from his wrongdoing. Attached herein is a photo of the said text message.

Mr. Marbella has also been spreading false accusations against me that are simply based on insinuation, if not outright hallucination, to the extent of posting curses and derogatory remarks on my Facebook account that is truly unbecoming of his position. Attached are the screenshots of his posts.

It has also come to my knowledge that Mr. Marbella tha he would regularly use our office's revolving fund for his personal use, leaving our production unit deprived of essential support materials like ink, coupon bonds, computer monitor, hard disks and other supplies.

Also, reliable sources informed me that Mr. Marbella also abandoned his duties in our daily program to moonlight as a contracted production team member, re: acting as programming officer of TV5 during 2010 Guangzhou Asian Games, 2011 Indonesian SEA Games, 2012 London Olympics, 2013 Myanmar SEA Games, 2014 Sochi Winter Games and 2014 Incheon Asian Games in South Korea. He worked at the said private television network within his mandated working hours at PTV, more so, during occasions when he had supposedly timed in at the office. The contracts Mr. Marbella entered into with TV5 can be readily secured from the said channel. This offense clearly constitutes gross misconduct and dishonesty which are punishable by dismissal from the service under Civil Service laws. The fact that he did it on several occasions underlines his propensity to commit such irregularities.

These are just some of his irregularities which he is trying to cover up and which I believe are the real reasons why Mr. Marbella is moving heaven and earth to ease me out of my position. I believe that the appropriate action and sanction should be imposed upon Mr. Marbella.

To reiterate, I have no problem with my contract not being renewed. However, it is my intention to convey to you the irregularities of Mr. Marbella as he has been using the same to discriminate against talents like myself. If he can do this to me, he can do it to virtually anyone in the office. I have no qualms about leaving the program, but let it be based on real and valid reasons, and not on the capriciousness of Mr. Marbella.

Nililinaw ko po, hindi po ako kapit-tuko sa trabaho na ito. Ang sa akin lang, kung tatanggalin niya ako, dapat ito ay base sa merito at may maliwanag na dahilan.

PTV Sports would not have lasted nine (9) years and gathered high ratings if I was doing it all wrong. Modesty aside, I have become one of the most popular sports reporters in the country today, both on-cam and via the social media, because of this program. While I acknowledge that nothing lasts forever, I owe the program so much that I cannot just leave it because of the capriciousness and abuse of power committed by just one individual.

I trust and pray that you act on the wrongdoings committed on my person by Mr. Marbella.

Very truly yours,

EDMUND "SNOW" BADUA

A radio anchor and commentator died after he was shot by a lone gunman in Tagbilaran City, Bohol Saturday morning.

This incident really shows supression of press and media freedom, especially now that the Philippines is one of Asia's most liberal countries. This incident is strongly condemned.

Dahil sa comment niya na 'joke' ang PBA career ni Manny Pacquiao, pinauwi na ng Purefoods si Daniel Orton at binalik si Denzel Bowles.

Halos kalahati ng import cast sa PBA Commissioners Cup ay pinalitan na; tanging si Joshua Davis ng Meralco, Michael Dunigan ng Ginebra, Solomon Alabi ng Barako Bull, PJ Ramos ng KIA at Al Thornton ng NLEX na lang ang mga original imports sa PBA.

Eto ang mga teams na nagpalit ng imports:

Alaska (DJ Covington-Damion James)
San Miguel Beer (Ronald Roberts-Arizona Reid)
Rain or Shine (Rick Jackson-Wayne Chism)
Purefoods (Marqus Blakely-Daniel Orton-Denzel Bowles)

Whom of you have tried calling the hotline numbers of LTFRB when you have a complain against a public driver?

For me, I tried calling them through their Central Visayas telephone number 231-7466/231-6221 in 2011, when I had a complain against an abusive, drunk PUJ driver who drove recklessly. Unfortunately, the operator said the two numbers were "not in service," meaning they didn't work.

In fact, I found WRock better than Easy Rock. I agree with the opinion of Ralph Domingo in his blog, "From The Tube." And here in Cebu, fortunately, there's still a WRock station (96.3), while an Easy Rock station (102.7) also exists in the Queen City of the South. 96.3 WRock Cebu is the FM station I often listen everywhere I am, especially in the car, home, school, or office, because the DJs there don't talk too much, unlike the masa stations.

Speaking about Easy Rock Cebu, the frequent advertisers there is ACS Manufacturing Corporation, a slimming tea (forgot the brand), Fujidenzo, and TGP The Generics Pharmacy. Also, in their commercial breaks, their ads are very

few, ranging only up to two or three, while WRock is 3+. Ayala Center Cebu, a mall which caters to the class ABC+ market, wouldn't even dare to advertise on that station, even if the latter has the same target market as Ayala's.

In fact, Easy Rock is just a flop, a mediocre station, a WRock copycat. Worse, they claim to be "the no. 1 FM station to listen at the office."

  **Christian Añasco** ABS should be blamed for this. First of all, ALL NEW Star Cinema movies are shown on TFC on PPV a few weeks after it is screened in the Philippines. With that said, the movie TTCT has a GREAT chance of being pirated. I know of this because I personally know a guy that runs a Pinoy movie torrent site. He said that they have multiple sources of Pinoy films, particularly with new ones especially with ABS-connected films. Kaya wag silang

magreklamo na sinisira nila ang kita ng movie when in fact na sila mismo ang gumagawa ng paraan para hindi kumita ang movie in theaters. At mas kumikita ngayon ang mga nagbebenta ng DVD sa bangketa at mga mall.

**Christian Añasco** Just to be fair, Hollywood movies also experience this. Here's an example, Taken 3 was shown in the US last January 9. A couple of weeks later, it was uploaded online in HD with Arab subtitles. The source came from an Arab cable provider that offered the movie on PPV. This practice of recording new movies that are on PPV via cable providers and internet providers is also rampant in China. This is the reason why some Hollywood movies have Chinese subtitles on the movie.

The same can't be said to Nickelodeon though. Halatang pang-tanders na rin ang kanilang programming dahil kay Spongebob, Timmy at Dora. Same goes to Disney na puro classic movies na rin ang inaatupag nila, rather than expanding the Disney Junior block.

  This year, they'll transform into a day of disappointment and continous mourning due to the Mamasapano Massacre (after one month) with a verdict of guilty against PNoy with his bloody hands of responsibility. Not to mention, his lack of empathy last January 29.

  I'm sorry to say this but as much as I want to speak frank, Feb. 25 is a "damnatio memoriae."

sa mga MMA fans na napanood ang labanan nina UFC Women's Bantamweight Champion RONDA ROUSEY at CAT ZINGANO nitong March 1, 2015 (Manila Time), well, alam naman nating napanatili ni Rousey ang titulo via submission gamit ang armbar (gaya ng submission hold dati ni Alberto Del Rio nyng nasa WWE pa sya) matapos ang tangkang takedown sa kanya ni Zingano!

Alam nyo ba na ang submission win na yun ni Rousey ay isa sa mga PINAKAMABILIS na panalo sa kasaysayan ng UFC?! Kasi tumagal lang ng 14 SECONDS sa Round 1 ang Rousey-Zingano fight!

## Topic: (Q&A) Ano Bang Pinag-Ugatan Ng Mga Pilipinong Tumatangkilik Sa Teleserye At Mga Paulit-Ulit Na Ibang Palabas? (Filipino)

February 18, 2015 at 12:09am

**Sa Pagpapahayag Ng Katotohanan, Laban Sa Mga Grupo Ng Mga Nagpapanggap Na Bagong Anime At J-Pop; Hindi Nila Maiwasan Ang Maibunyag, Ang Mga Kamalian Ng Tatlong Istasion!**

**(Ang paksang ito ay naglalaman ng mga katanungan at kasagutan na mula sa A&R Community. Itong bahagi ng paksang ito ay "HINDI!" ito ang Q&A ng mga iba't-ibang relihion. Itong mga Q&A na paksang ito ay kung bakit maraming Pilipino na hanggang ngayon ay tumatangkilik pa rin sa mga palabas na Teleserye at iba pang palabas na hindi na talaga matapos-tapos na dahilan ng pagbagsak sa Anime at J-Pop, nang dahil sa mga walang kabuluhan na palabas sa TV Station. Paalala lang po, wala po kaming intension na sungaban at siraan ng gawain ng iba. Ito'y para malaman ng maliwanagan ng maraming mga Pilipino Anime Fans ang ganitong paksang pagbabatayan.)**

**Mga kaibigan, sa mga nagdaang issue ng Q&A, dahil sa mga paulit-ulit na Cartoons at Movies, itong issue na ito na pagbabatayan sa Q&A, ay kung bakit tayo nagdurusa sa mga Pilipinong tumatangkilik sa mga Teleserye at mga Paulit-Ulit na palabas na gaya ng sinabi natin sa nakaraang Q&A, Ano ba ang mga katanungan at kasagutan na dapat natin matunghayan at malinawan ng mga Anime Fans para malaman nila kung ano ba ang Pinag-uugatan ng mga Pilipinong tagapagtangkilik sa mga palabas na bulaang anime, na teleserye at iba pang palabas na puro paulit-ulit?**

**{Q:} Saan ba nag-ugat ang mga Pilipinong tumatangkilik sa mga Teleserye o anumang uri ng Soap Opera na ipinapalabas sa Pilipinas at bakit nga ba nakaka-apekto ito sa mga Pilipino Anime/J-Pop Fans?**

**{A:} [Nagsimula itong mag-ugat sa mga Kabataang Pilipino ngayon, dahil dati ay nakinabang sa mga Anime, ngunit ngayon ay nagsisimula na silang tumangkilik sa mga tinaguriang teleserye at iba pang mga serye ng Soap Opera, tulad ng K-Drama at C-Drama na siya ring dahilan kung bakit tumungo papunta sa sariling ating palabas na teleserye, na iyon ang dahilan kung bakit nga ba nasira ang pagkilala ng mga kabataan sa Bagong Anime at J-Pop sa ating bansa. Dahilan ng Teleserye, nagiging masama rin ang kina-ugatan ng palabas na iyan na siya ring sisira sa pagkilala sa Anime at J-Pop.]**

**{Q:} Saan ba nag-ugat ang mga Pilipinong tumatangkilik sa mga paulit-ulit na palabas, tulad ng mga kids cartoons, luma at pangit na anime shows, pelikula, at iba pang palabas na puro sa gawain ng mga bulaang anime?**

**{A:} [Pagkatapos ng ugat ng kasamaan sa mga Filipino Teleserye, ito pang dahilan kung saan ba nag-ugat ang pagtangkilik ng mga Pilipinong manonood sa mga palabas na paulit-ulit, yun ang dahilan ng mga ugat ng "KABULUKAN!" sa sistema ng Telebision. Ang dahilan ng paulit-ulit na palabas ay ang matinding pag-eere uli, madaming 'Back Weeks (Halimbawa ng Throwbacks, Flashbacks, at iba pa)', na siya ring ugat ng mga re-runs at replays na hindi na matigil-tigil ng mga 'Balik-Luma at Kapangitan' na siya ring dahilan ng pagka-iwas ng mga Pilipino sa hiling ng mga Pilipino Anime Fans, lalo na sa pagiging pala-iwas ng mga Pilipino sa mga Bagong Palabas, tulad ng Bagong Anime.]**

**{Q:} Anu-ano ba ang mga tinatangkilikan ng mga Pilipino sa mga palabas na paulit-ulit at mga pabalik-balik na mga palabas na hanggang ngayon ay pakinabang nila iyon?**

**{A:} [Ang dahilan ng ugat ng pagtangkilik sa mga paulit-ulit ay ang mga re-runs at replays na siya ring nag-ugat ng "KATIWALIAN!" sa pag-eere ng palabas ng paulit-ulit, dahilan ng mga Pilipinong nakikinabang sa mga re-runs at replays na siya ring nag-ugat ng mga 'Back Weeks', upang magpalabas sila ng walang bago at walang pinagbago sa mga programa, na siya ring dahilan ng mga palabas na tinatabunan lang ang mga Bagong Anime, ng mga back weeks na TV Shows o Programs, na siya ring humaharang sa mga Anime Programming, o di kaya'y naaapektuhan rin ng back weeks ang mga Anime Shows ng kapuwa Anime Shows.]**

**{Q:} Ano ba ang epekto ng mga 'Back Weeks', na siya ring dahilan ng mga Pilipinong tumatangkilik sa ganyang uri ng mga programa, at ano ba ang epekto nito sa mga Pilipino Anime/J-Pop Fans, ang ganitong uri ng sistema ng mga palabas na paulit-ulit na lang?**

**{A:} [Ang epekto ng mga 'Back Weeks' sa mga Anime Shows, ay ang mga replays at re-runs ng mga luma at pangit na Anime Shows na kadalasang nakiki-isa sila sa mga 'Back Weeks' na shows sa TV, dahilan para matabunan ang mga Bagong Anime, ng mga palabas na paulit-ulit at wala nang katapusang ulitan, na siya ring nag-ugat ng "KABULUKAN!" sa pag-eere ng mga palabas, na hindi akalain na paulit-ulit at nakakasawang tignan ng mga Pilipino Anime/J-Pop Fans, ang pag-eere uli ng mga luma at pangit na Anime Shows na laging nasa ilalim ng mga 'Back Weeks' na shows. Kaya "MALI!" po ang tumangkilik na lang sa mga palabas na naka throwback at slideback, o anu-ano pang mga 'Back Weeks' na Shows na "HINDI!" naman dapat palagi ganun na lang sa sistema ng Anime Programming sa Pilipinas.]**

**{Q:} Bakit ba kinikilangan pa bang lagyan o mag-ere ng paulit-ulit na palabas o kaya magsagawa ng mga throwback at flashback na Anime Shows, at ito bang pagtangkilik sa ganyang uri ng palabas ay maituturi ba nating mga Bagong Anime?**

**{A:} ["HINDI!" po mga kaibigan, dahil ang mga Anime Shows na luma at pangit na nakikipagsapalaran sa mga 'Back Weeks' na TV Shows, tulad ng mga Anime Shows na luma at pangit na naka throwback at flashback, ay "HINDI!" po iyon mga Bago, kundi ibabalik nila at kadalasang uulitin ng uulitn. **palabas, kagaya ng mga walang pinagbagong palabas na paulit-ulit na lang, imbis na magpalabas ng Bagong Anime, puro re-runs at replays ang ipinapalabas na nagbubunga pa ito ng mga pabalik-balik at mga epekto ng mga throwback at flashback na siya ring dahilan at yun ang dahilan kung bakit nga ba natatabunan ng mga 'Back Weeks' ang mga pagkilala ng mga Kabataang Pilipino sa Anime at J-Pop. Kaya "WALANG KABULUHAN!" ang mga palabas na ibinabalik nanaman muli sa kanilang pag-eere, at iyon ay "TALIWAS!" po sa pagkilala sa Bagong Anime at J-Pop.]**

**{Q:} Ito bang mga throwback at flashback sa mga TV Shows, ay isa nga bang uri ng tamang pagkilala sa Bagong Anime at J-Pop, at iyan ba ay tama bang tangkilikin ng mga Pilipino Anime/J-Pop Fans?**

**{A:} ["HINDI!" pa rin, mga kaibigan. Dahil "MALI!" po kilalanin ng mga Baguhang Anime/J-Pop Fans, ang mga naipalabas na muli, pero may mga iilan pa ngang nakakapanood, pero "MALI!" pa ring itanggi nila na yun ay Bagong Anime sa kanilang tingin. Maaring pagmulaan ng iilang "MALING PAGKILALA SA BAGONG ANIME AT J-POP SA PILIPINAS!", bunga ng mga pabalik-balik na programa na "WALA!" talagang Bago sa kanila. Kaya makipagsapalaran nalang sa mga Bago at "HINDI!" po sa mga luma na gawi pa rin ng dalawang istasion na "HINDI!" sila nakinabang sa mga Bago, dahil sa kanilang kababayaan sa pag-eere sa Anime Shows nila. Kaya "WALA!" po tayong makita sa kanilang Bago, kundi pandaraya at panloloko lang sa mga Bago nilang Palabas na akala nila ay yun ang Bago, pero "HUWAG!" po tayong maniniwala sa kanilang pangako at yun ay patibong lang iyon sa mga Pilipino Anime/J-Pop Fans.]**

**{Q:} Ang pagtangkilik na lang ng habangbuhay sa mga teleseryes at iba pang mga palabas na paulit-ulit ay kinikilala nga bang sa Anime at J-Pop ang ganung uri ng palabas na yun ay Gawang Anime at J-Pop?**

**{A:} ["HINDI!" po. Bagamat ang mga pagtangkilik sa mga teleseryes at mga palabas na paulit-ulit ay "HINDI!" po iyon gawain ng Anime at J-Pop, kundi iyan ay gawain lamang po ng mga bulaang anime at bulaang j-pop, na iyon mga kaibigan, "HINDI!" po talaga ganun ang uri ng Anime at J-Pop, kundi iisa lamang iyan sa mga gawin ng mga bulaang anime. **{Q:} May mga kasamaan bang mangyayari kapag ang isa o higit na Pilipinong tumangkilik sa palabas na puro teleserye at iba pang palabas na paulit-ulit ang kanilang paglilibangan habangbuhay?**

**{A:} [Mayroon pong kasamaan, kapag ang isa o iilang Pilipinong tumatangkilik sa mga palabas na puro kabulaanan, tulad ng mga teleserye at iba pang palabas na paulit-ulit, ay magiging ugat pa ito ng "KASAMAAN!" na nagbunga pa ito ng "KAHIRAPAN!" na sanhi ng mga iba't-ibang uri ng kabaligtaran at ang lumalalang "MALING PAGKILALA SA BAGONG ANIME AT J-POP!", na dahilan pa ng pagdami ng mga kabataang Pilipino na namumuntis, mga batang Pilipino, at mga iilang Pilipino na halos pala-iwas sa pagkilala sa Anime at J-Pop. Kaya "MASAMA!" po ang puro pagtangkilik na lang ng mga Pilipino sa mga palabas na tulad ng mga bulaang anime na nabanggit natin sa Issue na pinagbabatayan natin.]**

**{Q:} Nakaka-apekto ba sa balanse ng programa sa TV, ang pagtangkilik sa mga palabas na sariling atin na katulad ng mga teleseryes at iba pang mga paulit-ulit na palabas sa local TV ng Pilipinas?**

**{A:} [Talagang nakaka-apekto po iyon, dahil ang pagtangkilik sa mga teleserye at iba pang inu-ulit-ulit na palabas ay yun ang nagigigng dahilan ng hindi pagpantay sa balanse ng mga programa sa telebision. Halimbawa ng Bagong Anime, isa rin sa magbibigay ng balanse sa programa sa telebision, ngunit ang mga paulit-ulit na luma at pangit na Anime sa dalawang istasion ay "HINDI!" nagbibigay ng balanse, at yun ay umu-ulit-ulit lamang na siya ring dahilan ng pagbabalik nila sa kalumaan na "WALA!" talagang makukuhang pagbabago sa kanilang programa na puro teleserye at puro paulit-ulit na palabas sa TV.]**

**{Q:} Tama bang makisawsaw ang mga Netizens sa mga pagtangkilik nila sa mga palabas na puro teleserye at puro paulit-ulit na palabas, para lagyan nila ng hashtag at pagcomment nila sa programang tinatangkilikan nila?**

**{A:} ["MALI!" po ang makisawsaw, ang mga Netizens sa mga programang tinatingkilik sa telebision. Ito rin ang nagiging dahilan ng kanilang pagka-iwas ng mga Pilipino sa pagkilala sa Bagong Anime at J-Pop, dahil sa mga lumulobong mga kabataang Pilipino na gumagamit ng Social Media sa kanilang pagkilala sa bulaang anime at bulaang j-pop na "HINDI!" talaga makakagawa ng balanse sa programa ng telebision, bunga ng kanilang pagka-iwas nila sa Anime at J-Pop, dahil sa mga trending na palabas mula sa Pilipinas at sa mga K-Pop at Hollywoods. Kaya "HINDI!" dapat manatili ang unbalancing ng programa sa TV, at dapat iwasan nila ang pagiging pala-iwas nila sa mga Bagong Anime at J-Pop, para matulungan naman ang balanse ng programa sa telebision ng ating bansa.]**

**Tandaan: Ang pagtangkilik sa sariling atin na mga palabas ay dapat rin "LIMITAHAN!" para makilala natin ang Anime at J-Pop sa Pilipinas, para tumulong sila sa pagbalanse ng programa sa telebision, na ito rin ang solusion ng mga Pilipino Anime/J-Pop Fans. Wala pong masamang tumangkilik sa mga palabas na pangsariling atin, bagamat ang pagsunod sa mga batas na may bahid-pulitiko, para lang tumangkilik lamang sa sariling atin na walang dahilan sa mga Pilipino Anime/J-Pop Fans, ay "HUWAG NA HUWAG!" ninyong susundin, sapagkat ito'y dahilan ng pagkamatay at pagbagsak ng kulturang Anime at J-Pop sa Pilipinas.**

**Sana naunawaan ninyo ang mga katanungan at kasagutan na ibinigay ng A&R Community, para maibahagi natin ang nadarama ng isa o higit sa Pilipino Anime/J-Pop Fans na pinahihirapan pa ng mga Pilipinong humaharang sa pagdayo at pagbangon ng Anime at J-Pop sa Pilipinas.**

**Maaring i-share itong Special Issue ng (Q&A) para makita ng mga Pilipino Anime/J-Pop Fans o kaya maipakita rin sa mga Pilipinong hindi pa nakaka-alam ng Bagong Anime at J-Pop sa Pilipinas.**

**Napatunayan namin na ang mga litratong ito ay pawang katotohanan na sinabi namin ay: Ang Bagong Anime ay di dapat iniiwasan ng mga mararaming Pilipino, sapagkat sinasabi ko sa litratong hindi anime ay marahil laya sa pagkabuking ng kamalian!**

**Ginawa ito ng A&R Community para sa lahat ng taong may hilig makakita ng bagong anime sa publiko.**

The source added that Galang, who has led the Lady Spikers in scoring this season, would undergo surgery “after swelling subsides in one month,” as the doctors noted the knee is “too swollen right now.”

“Cause is fatigue,” said the source, who is in the hospital with Galang. “Inangkin niya na lahat (ng injuries).”

Para sa mga fans ng Urbandub: sad news. Not an April Fools joke.

**Urbandub** with Jo Sheene Cavero and 10 others

15 years of Urbandub. We in the band, past and present members, still can't believe we lasted this long. What started out as something we wanted to do just for fun, turned into an amazing career, writing and performing music. We never expected that our little band from Cebu City, happy just performing our songs for our friends and family in our hometown, would be able to take our music outside of our island, on a national scale and even share our music in different countries. We know we couldn't have gotten to this point if it weren't for the initial people that believed in us and our music and especially the steady growth of fans through the years, The Dubistas. We were grateful to all of them then, even more so now. We couldn't have achieved anything without all of you. You guys are very much a part of Udub along with the crew and the four members that perform on stage. We are grateful that you allowed us into your lives through our music, our thoughts, our common experiences with pain and joy. Thankful that you allowed Udub to connect with you through each and every show we performed live. Whether the show was good or bad, you guys were always there to push us forward and encouraged, inspired us to hone our craft. Individually, you all made us better musicians and collectively made us passionate artists for music.

MAY 9, 2015 marks our 15th year in the pinoy music industry. We invite you to join us celebrate at the Metrotent, Metrowalk, Pasig. This concert is for everyone that believed in us and allowed us to have this amazing journey. It will also be the LAST time all four members, Lalay, JanJan, John and Gabby will share the stage as Urbandub. We are happy to get to this point but sometimes all great things must come to an end. But we wish to end things on a happy note through this anniversary concert. The band may cease to exist but we are hopeful our music will live on through every single Dubista that enjoyed listening and watched us perform. 2015 will be the last year of Urbandub. What an amazing ride. We loved each and every moment we shared with you.

THANK YOU for all the blessings. Our lives are forever changed for the better because of the support and love you all gave. We are truly grateful. Our songs will play on through you...

ENDLESS.

## IMF raises Philippine 2015 GDP growth forecast

The International Monetary Fund on Wednesday slightly upgraded its forecast for Philippine economic growth to 6.7 percent this year from 6.6 percent, due in part to higher state spending and strong private construction activity.

Balesin Problems

11:42 AM
Posts
Maggie Wilson-Consunji
Apr 4 at 10:13pm
It's not Balesin's fault on why they offer such a meal but I would like to know which of the members insisted on it! It was however their fault on how they trained their staff. What was said was rude and offensive, especially so that the comment was made in front of my mom, our nanny, Nanay Belen and our son. I also think they need to review their policies on the No Credit Card No Food rule. When they won't even accept cash. What if my mom or nanny or let's say even a guest who don't own credit cards want to eat? They will not be served or allowed to order because of that very policy. I think that's little skewed don't you think? Hope Balesin finds away to at least correct that!

Everybody knows the Ariel 7.50 song right? Did you know that its not an original song?!?!

That's right. P&G acquired the rights to the hit song "Finally" by CeCe Peninston in the 90's and just added their own lyrics for the jingle. Here's the original song, listen to it.

Opinion time: Yesterday, the milk tea issue came out. Of course we will this on primetime news right? So all the news outlets did their reports on this. I saw the report from 24 Oras first before the report of TV Patrol. 24 Oras gave a alias to the employee of the milk tea shop upon his request to hide his name and face. They respectfully did. But in TV Patrol, they said his full name and showed his face.

Did ABS or the TV Patrol producers forgot his request? Or do you think this was done on purpose?

Im only getting your opinions. Im not trying to hurt or say something bad against them. Pure opinions only.

The Dark Side of Doris Bigornia

Last April 17, 2015, I, my wife and youngest son went to Mall of Asia Arena to watch the concert of The Script. We were seated at the VIP section in Row A seat numbers 18, 19 and 20 and it happens to be right at the center of the stage. For you to see how it all started, I'm attaching this video, which my son took for his file when we arrived, you will notice at the last part of the video wherein Doris and daughter rush forward and evaded the bouncers but since there was so much confusion, he had to stop it. The concert was a seated concert but to my surprise when the artists came out Doris Bigornia and her daughter Nikki Bigornia run straight in front covering our view which initiated the others to rush forward too (since she is a "celebrity" they assumed it was ok). The event bouncers instructed them to go back to their seats explaining to them that it was a seated concert but instead of seating down, she shove off the bouncers and didn't mind them. Chaos started with people running in front hitting me and my son. My food and drinks spilled all over the place, being stepped on, bumped and to the point that they were already pushing me and my son out of our seats. Bouncers were able to control the crowd by pushing them back but Doris and her daughter and a few people beside her resisted to leave. I went to her and ask her politely and said "mam favor lang I'm seated right behind you and you are blocking my view" and she didn't even reply but instead looked over to the other side. My son was already hyper ventilating because it was starting to get crowded again. Bouncers tried to push Doris and company away but her daughter shouted on top of her voice to the bouncers and said "paalisin nyo muna lahat bago kami umalis dito". I went back and ask her politely again "mam favor lang nahihilo na ang anak ko baka pwede naman tumabi na kayo para gumaya yung iba" and Doris replied "WALA AKONG PAKI KAHIT MAMATAY SYA DYAN". I was shocked! I was not expecting that kind of an answer from a so called media personality who runs a show titled "MUTYA NG MASA". I wanted to keep my cool, so I replied and said "ganyan ba kayong mga taga media, sa TV lang matino, sa totoong buhay eh wala palang pakiaalam." I was shouting because it was noisy and telling her that as a celebrity she should be the one showing good example, but to my dismay she just didn't react. As if we were not there.

After the show, people went back to their seats and so did Doris and company. On our way out, we passed in front of them, his son was looking at me with a grin so I confronted them and ask the son, Lorenzo Sungalon, if he had any problem with me and he said why did I keep on looking at them. Doris said "yan ang hirap sa inyo eh, porque media ako iniipit nyo ako tapos youtube nyo agad" you are doing in purpose so that people will take a video of it and post it in youtube I replied by saying " yun ang problema, media personality ka tapos ikaw pa ang nag pasimuno ng pag harang sa harap kaya tuloy nagayahan lahat" the daughter started shouting and cursing me and I responded by saying " I'm not talking to you so please shut up", then her son pushed me and said "fuck off and don't ever tell my sister to shut up". I told him "don't touch me again, you don't know me and you don't know what I'm capable of". He told me again to "fuck off," I didn't want to argue anymore, because he didn't know what transpire earlier between me, her mom and his sister. I know this boy is just a second year college student at De La Salle Taft, because my niece who happens to be in the concert also told me not to mind him because he is just a kid and the same age as my eldest son who happens to study in La Salle too.

A girl whom I met in the concert overheard and saw the whole fiasco asked me if I wanted it viral because she didn't want this incident to pass without people knowing the truth. I said yes, why not, if it can correct some mistakes media people do to ordinary people like us. She got my name and said she will add me so I can view what she wrote. She was able to take a video when Doris and I were arguing, but, unfortunately, according to her when Doris saw that she was taking video she told her children and they went to her and I am quoting her "I don't know if you saw it but the daughter hit my phone with her hand while I was recording. I wasn't able to record it"

After that futile argument, I didn't see the point of continuing the conversation because she wasn't apologetic for what she did, the son was telling me to fuck off and the daughter was cursing me in front of thousands of people still inside the Arena as if I was at fault.

I just hope that this will never happen to you and your loved ones wherein these people will take advantage of their position or name. I hope this reaches the management of ABS-CBN because this is conduct unbecoming of a media

personality. For those who were able to witness this incident and have a video of it, (I'm sure 1 or 2 have this because everybody was taking videos during the concert) to please post it.

To Doris Bigornia : "Do not do to others what you do not want them to do to you"

BBL, ibinasura na; oras na para humanap ng mga alternatibo —Marcos

MANILA, Philippines — The government and the Moro Islamic Liberation Front (MILF) should start looking for "alternative ways" of seeking peace in Mindanao other than the proposed Bangsamoro Basic Law (BBL), Senator Ferdinand "Bongbong" Marcos Jr. said, citing the dwindling support in Congress for the BBL.

Marcos said the lack of good faith on the MILF leadership, the absence of mechanisms that expedite the coordination between the government and the rebel group, issues on the chain of command, and constitutionality issues make the BBL a "very weak process."

"All of these things point to the glaring weakness in that whole process. As you asked, the way forward is to take a change of perspective and not think only BBL. People had counted BBL as the solution, the be-all and end-all. Basta't ipasa 'yung BBL tapos problema natin. Mukhang hindi ganon (Just as long as the BBL is passed, we are then left to face the consequences. That shouldn't be the case)," he said in a statement issued by his office on Wednesday, based on his earlier interview over ABS-CBN's News Channel.

"Had the House subjected the BBL for voting today, the proposal would have encountered a vote of no support from legislators," he said.

Marcos said many legislators were asking why the national government would fund the Bangsamoro republic from the funds coming from other local government units, the issue on "power sharing," administrative problems and the issue about who would be in control of the police forces to be assigned in Bangsamoro-declared territories.

These issues, if left unanswered, he said, would result in "confusion and chaos" when the bill is passed into law.

"Those of us who had invested in working towards this peace, we are in a very difficult situation in trying to find the ways to move the process forward," he said.

Prior to the Mamasapano incident where 44 elite policemen were killed, Marcos said the Senate was working on a timetable for the BBL with March 18, the last day of session, as the target date for the measure to be passed.

But he expressed fear that the Maguindanao incident "had completely demolished" the timetable set by the legislators.

"I am afraid the timetable is completely demolished, that is the only word I can use because there are so many inquiries that still need to be conducted," he said.

"There are nine entities that are conducting this investigation, we are in the midst of forming the Truth Commission which, in my view, should be the overarching body and take the results of all the investigation and come up with a single report on what exactly happened," said Marcos.

The senator then urged the government to consider the possibility of reviewing its actions to date, especially those presumptions that the government took in negotiating peace with the MILF.

"The first step is for the government to work on re-invigorating the trust and confidence of the people behind the peace process. People have become less tolerant with the MILF," Marcos said. (Inquirer)

GMA-7 'not in the red,' layoffs
a 'callous move' – NUJP

Source:
www.rappler.com/nation/91325-gma-layoffs-callous-move-nujp
NUJP disseminates on social media its statement
using the heart-shaped rendering found in the
GMA-7 logo, but in black Buena Bernal Published 9:08 PM, Apr
27, 2015 Updated 12:14 AM, Apr
28, 2015 (image) MANILA, Philippines – Broadcasting giant
GMA-7's dismissal of its staff in regional stations
despite being financially robust is callous,
heartless, and appalling, the National Union of
Journalists of the Philippines (NUJP) said in a

statement on Monday, April 27. NUJP regarded the network's claim of "strategic streamlining" to justify the layoffs as a "play on words" that "belies the grim reality that almost all employees in regional news desks of the network will lose their jobs." Questioning the justification that GMA-7 used, NUJP argued that the network "is not on the brink of bankruptcy with no recourse but to let go of its employees to stay afloat." Under the Constitution, workers are guaranteed security of tenure or the right against termination without just cause and due process. "GMA-7 is not in the red. It is not bleeding," NUJP explained, citing the network giant's reported "net income of P1.01 billion in 2014 and at least a billion pesos yearly in 2012 and 2013." It said the network's management – "in one swoop" and "without sufficient warning" on April 23 and 24 – "put in peril the future of the families of hundreds of its employees and talents, many of whom have spent many years of their lives dedicated to the company and the public that they serve." Mike Tolang, a veteran cameraman in Cagayan de Oro, said employees like him were left in the dark with no idea of what hit them and what awaits them. The only instruction was that they are not to report to the news desk until Wednesday, April 29, he added. "Clearly, hundreds of jobs and lives have been put in the altar of sacrifice for more profits for its owners and investors at the expense of loyal and dedicated employees and talents," NUJP alleged. "Based on a compensation filing made by the network, its top 5 executives received a total of P141.72 million" in 2014, NUJP said. "We stand with our colleagues who lost their jobs. What happened to them can happen to any media worker in the country who, despite our noble profession, many continue to be treated as dispensable pawns," it added. The group also challenged businessman Ramon Ang, who recently acquired a 30% stake in the network, if he really wants "to team up with a company that does not think twice of letting its people go for the sake of revenues alone." NUJP disseminated its statement on social media and used the heart-shaped rendering found in

the GMA-7 logo, but in black. A version of this was seen on Monday evening as the cover photo in GMA-7 Davao local morning show Una Ka Bai's Facebook page. The said union of journalists boasts of some 1,500 members worldwide. Rappler has sought GMA-7's response to the group's claims, but has yet to receive a reply as of posting time. Reports from various provinces In defense of the retrenchments, the network previously said it "is in the process of undertaking a strategic streamlining of programs and manpower in its provincial stations to ensure business competitiveness." The reduction in manpower "targets more efficient operations," it added in a statement. "Severance packages are offered by GMA to all affected personnel." On Friday, April 24, a representative from GMA-7 in Manila came to Bacolod to inform the regional office's staff that their last day of work was also on that day. At least 20 employees were laid off. The only local show, Isyu Subong Negrense, also went off air. The GMA Bacolod office will still operate as a relay of the local channel, but there will be no employees, only engineers, working. GMA-7 Cagayan de Oro, on the other hand, had its last local broadcast last Friday. Staff members said they will have a final meeting on Wednesday. There are at least 40 employees in GMA-7 Northern Mindanao. In the cities of Legazpi and Naga in Bicol, reports have surfaced some time last February about the closing down of the network's offices there. In Cebu, the retrenched employees have turned to social media, such as social networking site Facebook, to express their dismay. Journalists in Cebu were urged to turn their profile pictures to plain black. Sara Duterte, former Davao City mayor and host of GMA-7 Davao's local morning show Una Ka Bai, posted on her Instagram account a photo of her alarm clock in her phone and said: "Goodbye alarm. I will miss you. This is the only job that left a mark in my life." – with reports from Bobby Lagsa in Cagayan de Oro, Karlos Manlupig in Davao, Rhaydz Barcia in Legazpi, Dale Israel in Cebu, and Marchel Espina in Bacolod/ Rappler.com

Do not wait for #DodongPH landfall, PAMA tells LGUs, public

By Jerome Paunan

NDRRMC-OPCEN, 10 May (PIA) -- "Do not wait for Typhoon Dodong's forcast landfall to make the appropriate actions."

Thus warned National Disaster Risk Reduction and Management Council (NDRRMC) Exec. Dir. Alexander Pama on Sunday, as he advised local government officials and the general public during a council meeting held following an updated forcast track of the tropical cyclone.

"With the threat of #DodongPH developing, we should not wait for its landfall, we urge the public to listen to warnings and to heed the instructions provided by national and local emergency officials," Pama appealed in Filipino.

He said the severe weather threat that the country is experiencing is a reminder that everyone needs to remain vigilant as we can't always anticipate when or where a disaster might strike.

From making landfall over Isabela early afternoon, now #DodongPH's forcast landfall is estimated in the area of Sta. Ana, Cagayan province late afternoon or early evening, Sunday.

The typhoon may bring two-meter storm surges in the areas of Sta. Ana and Gonzaga and flooding in the Cagayan River basin and in areas within the typhoon's 400 km. diameter.

State weather agency PAGASA said #DodongPH has "misbehaved" and is "erratic" which caused a slight change in the typhoon's track barely two hours prior to the agency's earlier estimated forcast.

As of writing this story, #DodongPH has intensified, further packing maximum sustained winds of 170kph and gustiness of 200kph.

The typhoon is expected to leave the Philippine Area of Responsibility by Tuesday morning. (NDRRMC/RJB/JCP/PIA-NCR)

  **John Rodrigo Diaz Valdez** despite the fact that Tagum was chosen as this year's Palarong Pambansa host, IDK if DavRAA will be able to catch up against SRAA, NMRAA and ARMAA.

Good news.

**Juan Nationalist**

Nat'l ID System, pasado na sa Kamara

Pasado na sa ikatlo at huling pagbasa sa Kongreso ang Filipino ID system.

Sa ilalim ng House Bill No. 5060, magagamit ang naturang ID sa lahat ng transaksyon sa gobyerno at pribadong sektor.

Kailangan magparehistro ang lahat ng Pilipino kahit nasa labas pa ito ng bansa sa ilalim ng pangangasiwa ng Philippine Statistics Authority (PSA).

Nakasaad sa batas na protektado ang mga indibidwal laban sa anumang pang-aabuso sa ilalim ng Filipino ID system.

Bawal ibigay ang impormasyon na nasa ID sa sinumang third party kabilang na ang anumang government enforcement agency maliban na lang kung pinayagan ito ng mag-ari ng ID, may aksidente para makita ang medical history nito, blood type o kailangan sa kaligtasang pangkalusugan ng nakakarami at kung may court order.

Sa kabila ng pagpasa dito, idiniin ni Bayan Muna Rep. Neri Colmenares na lalabagin ng naturang ID system ang karapatang pantao ng mga Pinoy.

Laman ng ID

Laman ng tamperproof ID ang larawan, pangalan, kaarawan, kasarian, petsa kung kailan na-isyu at lagda ng may-ari nito.

May kanya-kanya rin itong serial number na ibibigay ng PSA. May kanya-kanya rin itong biometric data.

Magagamit ito sa pagkuha ng pasaporte, driver's license, aplikasyon sa GSIS, SSS, PhilHealth, Pag-IBIG, pagkuha ng NBI at police clearance pati na rin sa Korte.

Ito rin ang maaaring gamitin sa pagboto, paghahanap ng trabaho at iba pa.

Kailan ito mapapalitan?

Panghabambuhay ang bawat ID. Mababago lang ito kung:

- tutuntong na sa 18-anyos ang may-ari ng ID;
- babaguhin ang apelyedo dahil sa court order o pag-aasawa ng isang babae;
- kapag nawala o nasira;
- kapag tumuntong na sa edad 60 ang may-ari ng card.

Modified PAGASA Tropical Cyclone Warning System | For the past ten years, Philippines has experienced a number of extremely damaging tropical cyclones.

However, very strong typhoons, i.e. Typhoon Yolanda, cause extensive and devastating damages which made the four-level warning system, PSWS No.s 1-4, inadequate.

Thus, PAGASA released the revised Tropical Cyclone Warning System to give emphasis in warning for Super Typhoon.

PCGG, nakakolekta ng P168B mula sa nakaw na yaman

Umaabot na sa tinatayang P168 bilyon ang halaga ng mga umano'y nakaw na yaman ang nalikom ng Presidential Commission on Good Government (PCGG) mula sa rehimen ni yumaong dating Presidente Ferdinand Marcos.

Sa panayam ng DZMM, inilahad ni dating PCGG chairman at ngayo'y Commission on Elections (Comelec) chief Atty. Andres Bautista na naipasok na sa kaban ng bayan ang nasabing halaga na nakolekta ng PCGG sa loob ng 28 taon, mula noong 1986 hanggang 2014.

Dagdag ni Bautista, mahigit 40% ng nasabing halaga o katumbas ng P75 bilyon ay nakolekta sa ilalim ng administrasyon ni Pangulong Noynoy Aquino mula noong 2010.

Tumanggi naman ang opisyal na akuin ang tagumpay sa nakalap na yaman.

Anya, "'Yung nasa PCGG, of course, that's a collective effort. 'Yan po ay isang komisyon kaya mayroon po tayong mga katulong d'yan at kumbaga, we were able to deliver and also, marami na ring nagtrabaho beforehand kung kaya't we built on their strengths. Ganoon naman dapat talaga." (DZMM)

This Region

**Sir:**

Herewith is a document from the Office of the Talaingod Municipal Tribal Council of Elders emphasizing its request/stand for the temporary closure of the schools operated by Salugpongan Ta'Tanu Igkanogon Community Learning Center (STTICLC) and the investigation, re inspection and reevaluation of the said schools in terms of performance in providing efficient, quality and relevant educational services consistent with DepEd and National Educational policies, plans and standards.

Inasmuch as Article IV, Sections 28 and 34 respectively of the 2010 Revised Manual of Regulations for Private Schools in Basic Education provides that the "...Regional Director concerned shall have authority, accountability and responsibility for approving the establishment of private preschool, elementary, high school and learning centers; "and "...any action regarding revocation/withdrawal of the Certificate of Recognition... shall be subject to the approval of the Regional Director.." the undersigned therefore submits this request of the Talaingod Tribal Council of Elders for your appropriate action.

Should this request for the closure of said schools be granted, in its stead, this Division requests permission to implement the creation of a public high school in Butay, Talaingod utilizing military personnel as para- teachers as has been previously discussed and agreed upon during our meeting with the Regional Intelligence Committee at NEAP last 23 April 2015.

Very truly yours,

IT'S not enough that the Department of Education has abandoned the Ata-Manobo children of Talaingod in Davao del Norte for many years by failing to put up schools or send teachers to upland communities and depressed villages; it wants to double the offense by shutting down three tribal schools in the town based only on the allegation that the schools are fronts of the New People's Army.

Can Mr. Gozon make a deal?

## GMA Network eyes telecom partnership - Manila Standard Today

  **Gab Ferreras** GMA Network Inc. is seeking a joint venture with a telecommunication company to distribute its content through mobile and broadband devices.

  “We don’t have the kind of money to invest in a telco, so we need their infrastructure to distribute our content,” said GMA Network chairman Felipe Gozon in a recent interview.

  “It’s a joint venture to sell our content,” he added.

  Gozon had said the network was in talks with Philippine Long Distance Telephone Co. and Globe Telecom Inc.in 2013 for possible media content distribution deals.

  The broadcasting network’s move to enter a deal with a telco company came after rival ABS-CBN Corp. teamed up with Globe to offer mobile phone services.

  GMA Network had an agreement with businessman Ramon Ang to acquire 30 percent of the broadcasting network. The investment of Ang in GMA Network, however, has yet to be finalized.

  Gozon clarified there was no fixed deadline on the closure of the transaction with Ang, “but it should be done

within a reasonable period which is not defined."

Ang, however, said he would still pursue the acquisition of a minority stake in GMA Network, but cited some new but "small issues" that need to be resolved.

"This is [my] personal deal for a minority stake [in GMA]. The talks are ongoing," Ang told reporters earlier.

Ang declined to disclose the issues, assuring that he was not running away from the deal.

Ang offered to acquire at least 30 percent of GMA for P10.80 per share. The Gozon, Duavit and Jimenez families own a combined 79 percent of the network.

  **Ymman Jake Biaco** Here's another related story, may nauna pang isyu:
  Court Rules ABS-CBN Guilty of Piracy
  ABS-CBN was found to have violated PD 49 (Decree on the Protection of Intellectual Property) and the Rules and Regulations of the Kapisanan ng mga Brodkaster ng Pilipinas (KBP) when it aired an exclusive interview video footage owned by GMA-7 without the latter's authorization.

  The piracy lawsuit was filed by GMA Network, Inc. against ABS-CBN for reproducing and airing the interview of starlet Vivialyn Dungca without asking permission from GMA. In airing the interview, ABS-CBN also failed to

attribute GMA-7 as the source of the video.

On October 12, 1995, GMA-7 in its program Eye to Eye aired its video or footage showing an interview with Vivialyn Dungca, the former live-in partner of actor Philip Salvador. "Eye to Eye Exclusive" was clearly superimposed across the bottom part of the video. On the same day, ABS-CBN Channel 2 aired the same and exact footage or video of the interview in the "Star News" segment of TV Patrol, but the words "Eye to Eye Exclusive" were covered by a red bar.

Judge Normandie Pizarro of the Regional Trial Court Branch 100 of Quezon City ruled that ABS-CBN violated P.D. 49.

ABS-CBN had explained that the red bar covering "Eye to Eye Exclusive" was a computer error, but the judge in his ruling stated:

"The excuse that the red bar appearing on the portion of the video aired by the Defendant which says: Eye to Eye Exclusive in the original footage by the Plaintiff was a computer error is too flimsy to be given credence. The fact is that the Defendant failed to obtain prior permission or authorization to air the video footage from the Plaintiff. More plausible of belief is that the red bar have been intended to conceal the words appearing therein (i.e. Eye to Eye Exclusive)."

The Court ordered ABS-CBN to pay P20,000 for actual nominal and exemplary damages, plus attorney fees and cost of the lawsuit.

  **Gab Ferreras** MANILA, Philippines – Talks have collapsed between Ramon S. Ang and the majority shareholders of GMA Network Incorporated for the businessman's planned acquisition of a minority stake in the listed broadcast network.

  GMA Vice President Ayahi Ari Augusto Chio informed the Philippines Stock Exchange (PSE) that talks between Ang and the Jimenez, Gozon, and Duavit families for the purchase of at least a 30% interest in GMA have bogged down.

  "The company has been informed by its majority shareholders (Jimenez Group, Gozon Group, and Duavit Group) that the negotiation with Mr Ang on the sale and purchase of a participating minority equity interest in the company's outstanding capital stock is now deemed terminated," Chio said in the disclosure.

  It's been earlier announced that Ang, president and chief operating officer of San Miguel Corporation (SMC), planned to buy a minority stake in the broadcast giant.

  Ang: 'I did not expect this'

  Ang was admittedly caught by surprise by the GMA announcement.

  "I was surprised. I did not expect this. There was no indication they would do this in the middle of negotiations," he said in a text message.

  Ang pointed out that he is now consulting his lawyer on his next course of action. "I am consulting with my lawyer and I am awaiting for an explanation."

  In May, GMA Network, Incorporated president and chief operating officer Felipe Gozon told reporters that he was "no longer sure" if Ang would still buy a minority stake in his network.

  "I have to be very truthful to you. The talk was some time ago, so if I say that we're still close [to signing a deal],

nobody will believe me so I won't say it. At this point, let me just say that our attitude is wait and see. The ball is no longer in our court," he said on the sidelines of a company briefing.

But when asked to comment on Gozon's statement, Ang said in a text message,"Yes, [we're] still in talks." (READ: Is Ramon Ang buying GMA? Network chief now uncertain)

Dragged talks

As early as June 2014, Ang announced that the planned acquisition of a 30% stake in GMA was a done deal. The shareholders of GMA and Ang were looking at signing the purchase agreement as early November last year.

Gozon explained that the majority shareholders of GMA have already presented their "cards on the table," and it was now "up to Ang" to decide.

Asked last month if he's now open to taking offers from other suitors, Gozon replied, "Since I'm no longer sure, it depends on the suitor whether they would like to court us or not."

He also explained that shareholders are open to entertaining offers from other potential buyers.

"From the very beginning, even before we were not selling our share, there are many buyers who were willing to buy, so we are entertaining their offers," Gozon said.

Shareholders of GMA entered into talks with Ang after negotiations with dominant telecom company Philippine Long Distance Telephone Company (PLDT) chaired by Manuel V. Pangilinan bogged down anew. – Rappler.com

Anjho Ezekiel Reyes shared Teenage Pinoy Crap's post.

June 26 at 11:15pm

https://www.facebook.com/ExtremePinoyHumorist/posts/945595815470666?fref=nf

Kaya bakit bumabagsak ang kalidad ng OPM ngayon.

**Teenage Pinoy Crap**

Dati ang daling suportahan ng opm. Nung panahong ang mga lyrics ng mga kanta ay

"Magkahawak ang ating kamay at walang kamalay-malay. Na tinuruan mo ang puso ko na umibig nang tunay"

"Sa panaginip nalang pala kita maisasayaw"

"Sa umaga't sa gabi sa bawat minuting lumilipas. Hinahanap hanap kita"

"Kahit pamasahe lang ang palagi kong dala upang makasama ka, laging aalalayan"

Ngayon putang ines

"Naniniwala na ako sa forever, simula nang makilala kita..."
*matinis na boses kepkep na babae*
"At kaya hindi ako sumurrender"

"PUSH MO YAN TEH PU PU PU PUSH MO YAN TEH"

"Mag selfie selfie tayo selfie tayo pag may time"

Kingina ibalik niyo ang era na namanayagpag sa pinas ang mga totoong musicians, banda, at iba pa. Hindi yung dahil naging bida sa isang teleserye kahit boses bodega papakantahin dahil madaming fans. Ibalik yung panahong yung inaabangan mo sa daily top ten yung totoong mga kanta na hindi ginawa base sa isang trending catchphrase. Tignan natin kung gaano kabilis magsibalikan ang mga taong umasa nalang sa foreign ng mga kantang may dating.

  **Gab Ferreras** The major shareholders of GMA Network (the Jimenez, Duavit and Gozon Groups of stockholders) wish to clarify that - contrary to the misimpression that may have been created that they abruptly terminated the negotiations for the purchase by Mr. Ramon S. Ang (RSA) of part of their shares in the network - they were constrained to terminate the negotiations only after (a) more than one (1) year of negotiations, (b) they had accepted on March 21, 2015, all the remaining proposals of RSA as of February 27, 2015, (c) RSA continued to make new/additional proposals and/or make new requirements after the sellers had already accepted all of the proposals of RSA on March 21, 2015, and (d) after the statements of Mr. Gozon during the Company's financial briefing on May 14, 2015 were widely published in the broadsheets that "the ball is now in RSA's court", that there was no deadline given but decision should be made within a "reasonable time."

**Gab Ferreras** The statement of the Buyer is not correct. There were at least two documents transmitted on May 9 by the counsel for the Major Shareholders. The Share Purchase Agreement involving the Major Shareholders as participating in the sale with all the terms and conditions agreed upon by the Sellers and the Buyer as per acceptance of the latter's remaining position on certain issues by the former on Mar 21. The other document was the Deed of Absolute Sale on the Gozon Group Shares without the other groups participating, document of which was suggested after the RSA and MRJ (Menardo R. Jimenez) discussion. Both transmittals were made by counsel on a without prejudice basis given that on March 26, Buyer already walked away and informed Sellers that he is no longer proceeding with the Transaction on grounds of alleged material changes on the Company which are not valid and not borne by the facts and recent financial reports of the Company.

On May 18, Buyer informed the Major Shareholders that he does not accept the Deed of Absolute Sale, and proposed new matters and terms. On June 22, Major Shareholders informed the Buyer that they do not agree to the new terms, to a renegotiation or to a new round of negotiation and reserved all their rights and remedies. Last Wednesday, the Buyer's counsel provided another reason for not continuing with the Transaction citing the lapse of the Exclusivity Period on November 15, 2014. This was the first time that the Major Shareholders came to hear of this reason. The Buyer, in fact, continued to negotiate beyond the cited exclusivity period even with the awareness that he was free to leave the negotiations at any time since November 15, 2014 if he did consider the period of negotiations to have expired.
